

Are you serious about Tropical Environmental & Earth Science?

ENVIRONMENTAL STUDIES ABROAD INDIA PROGRAM

Courses, Labs, Field Studies, Projects and Research
Summer, Semester and Yearlong Programs

Discover the wonders of India while spending a short term study program with IISAC's prestigious University of Kerala located in Thiruvananthapuram closer to world famous beaches, biodiversity hot spots, lagoons, lofty mountains, rainforests, wildlife, plantations, spice gardens, temple towns and artisan villages

AREAS OF STUDY

Environmental Biology, Environmental Pollution and diseases, Environmental Chemistry, toxicology, microbiology and geology. Biodiversity, Ecology and ecosystem dynamics, Climate and climate change, Natural resources and management, Soils and rocks, petrology, mineralogy, exploration geology. Environmental biotechnology, Remote Sensing and geoinformatics.

COURSES IN ENVIRONMENTAL & EARTH SCIENCES

Introduction to Environmental Science
Ecology and Ecosystem Dynamics
Biodiversity and Conservation Biology
Environmental Chemistry and Toxicology
Environmental Geology
Pollution Biology
Environmental Health
Environmental Meteorology and Climate Change
Remote sensing and Geoinformatics
Wetland Ecology
Hydrogeology
Natural Resources and Management
Environmental Engineering
Environmental Economics
Water Pollution, Water Quality Testing and Potable Water
Waste Disposal
Environmental Impact Assessment
Disaster Management
Energy Management
Water and Vector Borne Diseases in the Tropics
Soils and Rocks

Physical Geology and Geomorphology
Igneous Petrology
Sedimentology and Sedimentary Petrology
Metamorphic Petrology
Structural Geology
Mineralogy and Crystallography
Geochemistry
Optical Mineralogy
Exploration Geology
Palaeontology
Economic Geology
Petroleum and Coal Geology
Field Geology
Gemology
Oceanography
Watershed Management
Ground Water Contamination and Remediation
Climate and Climate Change
Field Practicum
Directed Readings
Directed Research
Undergraduate Research

"When it comes to nature there is no better place than Kerala for field study, research, adventure and relaxation."

International Institute for Scientific & Academic Collaboration, Inc.

promoting international education & research

15 Honiss Place, Suite # 1, Newark, NJ 07104
